

Cultural Plan Public Opinion Survey

Our community is currently developing a comprehensive cultural plan. The comments and ideas of Rome and Floyd County citizens are critical to developing a plan that will generate positive impacts for the arts and all Rome residents. We would appreciate if you would take a few moments to complete this short survey. All responses are confidential and anonymous. No attempt will be made to identify you as a respondent. Thank you for your help on this important project.

This survey is your opportunity to provide comments as our community develops an arts and culture plan for its residents.

If you prefer for any reason to participate by phone, please call Ashley Ellington at 706-766-5659 or by email at ashleynellington@yahoo.com. Please return to via email or by mail at:
